## **KSEA - Andrew Kim Memorial Foundation Fellowship Awards.**

2018 North Regional Conference (NRC)

Dear Young Scholars of KSEA

KSEA New York Metropolitan -, New Jersey -, Philadelphia Chapter announces “2018 North Regional Conference (NRC)” to be held on March 24, 2018 at Montclair State University, 1 Normal Ave, Montclair, NJ 07043.

NRC 2018 brings together faculty, staff, post-doc, graduate and undergraduate student from all disciplines of science and technology to raise awareness of the ongoing research activities in the field of Life science, Engineering, and IT. The event will feature three keynote speakers and scientific lectures. During the NRC 2018, selected scientists by the Andrew Kim Memorial Foundation Fellowship Award committee will have opportunity to present their work at conference. We encourage everyone to participate in this scholarship award opportunity. All post-doc and graduate school student are welcome to apply.

### **Award (Award certificate and \$500 fellowship prize)**

Awardees will be selected from all abstracts submitted. Two award per each scientific category will be selected.
